2010-2011 Annual Registration Fee Payment Information

Registration Guidelines

1. The annual registration fee for girls wishing to participate in the Girl Guides of Canada-Guides du Canada program in Ontario is \$140.
2. In addition to the annual registration fee, there may be additional costs associated with weekly meetings, special activities and outings with your daughter's unit. Please speak with your daughter's leader for information on these costs.
3. The fee covers activities that may occur from September 1, 2010 to August 31, 2011. It is possible that your daughter's unit will not meet during that full time period, but there are always activities happening in which your daughter would be able to participate.
4. **Sibling Discount** - Families with more than two girls registering for Girl Guides of Canada-Guides du Canada programs are eligible for a sibling discount for the third and subsequent daughters. Full payment of \$140 is due for the first two girls and for the third and subsequent daughters the fee is reduced to \$70 per girl. In order to receive this discount, the information on the Annual Registration Fee Payment form must be completed in detail. If additional fee subsidy is required, a *Fee Subsidy Application* form must also be submitted.

Fee Subsidy Application Guidelines

The purpose of the Fee Subsidy program is to provide financial assistance for girls who would otherwise not be able to join Guiding due to lack of funds.

1. The information contained within these documents will be retained in confidence and reviewed only by the subsidy screening team.
2. Your daughter is welcome to attend meetings with her unit while this application is being processed.
3. Fee Subsidy Applications will be reviewed only if accompanied by a completed Membership form, Annual Registration Fee Payment form and the \$60.00 deposit.
4. The maximum amount of funding per girl is set at \$80.00.
5. Parents will be notified by e-mail of the outcome of this application. If we have no e-mail address on record, notification will be made by mail.
