

Online order form for Girl Registration material

Many forms and documents are available online, so you can print only the amount needed for your Unit(s) or send them electronically to parents. This makes for better use of resources and reduces the amount of excess paper consumption.

Based on Guider feedback with ordering online, girl registration material will be made available again to you this year for Returning/Pre-registered girls, new girls, and also Registration Events (Sears Days will be handled separately)! Please order only as many as you think you will need.

Please click on the following link or copy and paste it to your browser to get to the online order form:
