GUIDES OVERVIEW

For girls ages 9 to 11

Guide Units meet once a week, usually for two hours

In Guides, girls strengthen their leadership skills by taking the lead in Unit activities, learning to organize events and teaching each other new skills, all while having fun with girls their own age. The Guide program includes activities that deal with cyber safety, anti-bullying, self-esteem, health and fitness and environmental sustainability. Guides also have opportunities to take action on issues important to them and to make an impact on their community through service projects such as tree planting and volunteering at local food banks.

Your Guide could experience these activities.

- Collecting and donating items to a shelter or organization
- Planning a tree planting project
- Learning about online safety

FLAG ETIQUETTE

Flags and Guiding

In Guiding, you will often hear the terms, colours, colour ceremony and colour party.

Colours means the flags. The colour ceremony is the raising or lowering of a flag and the colour party is the group that performs the ceremony.

During a ceremony, meeting or special event

- When the Canadian Flag is displayed on a staff placed on a platform, stage or dais, it should be to the right of the speaker.
- When the Colours (flags) are used in the Guide horseshoe, the Canadian Flag is always on the Guider's right and the World Flag on her left as she faces the horseshoe.
- When displayed in places of worship or on a speaker's platform, the Canadian Flag should be displayed flat (hung horizontally) against the wall or on a staff on the celebrant's or speaker's right as she faces the audience or congregation.
- When used in the body of an auditorium the Canadian Flag should be on the right of the audience.

Part F

In her last message before her death, Lady Baden-Powell wrote: "I trust you will continue fully to use the system of work and play that our Movement provides, keeping up the fun and friendships made at your meetings and camps, abiding by the Promise and upholding the Laws that you undertook to live by when you joined up. In that way you will not only advance yourself in body, mind and spirit, but you will affect those around you, in doing what is honourable and right and wise, and in giving out kindness of thought and action, thus striving against all ills and helping to make the world a happier and better place in which to live."

13

Reflect on what Lady Baden-Powell's words mean to you. How do they make you feel? What do they make you think about? What do they inspire you to do? What can you do using your Guiding experiences to make some of your hopes for yourself, your friends and family, your community or the world become true? Find a creative way to express these thoughts – perhaps in song, or a story, maybe in a collage or skit. You might even do a STEAM-based project (science, technology, engineering, math or arts) or offer service or volunteer as a way to express what these words mean to you. Share what you've created or done with others, including your unit, as well as girls in other branches.
