## GAMES

### FRUIT SALAD

One (or more) girls are in the middle of the space and everyone else is lined up on one side. Everyone thinks of a fruit. The person in the middle calls out a fruit and if their fruit is called, the girls run across to the other side. The ones in the middle try to catch them, anyone who is caught becomes part of the middle. When the ones in the middle call fruit salad, everyone runs across and a new game is started.

### BLOB TAG

One girl is it. She tags other girls and anyone who is tagged becomes part of one long chain (the blob) that continues to catch girls and they join the chain.

### BUTTON

The girls all sit in a circle and someone is in the middle with their eyes closed. A button is passed around the circle while the girls sing "button you must wander, wander, wander. Button you must wander everywhere". Everyone then holds their hands behind their back and one girl has the button. The girl in the middle tries to guess who has the button.
